Dear Paridhi,

We agree with the survey done so nicely.

And accept the below job roles and designation made for the Cold Chain Industry.

Hope the above is in order.

Best Regards,

*Amit Chopra*

**Subject:** Request for your validation of LSC's Qualification Pack

Dear Mr. Amit,

Greetings from ICRA Management Consulting Services Ltd.!

It was a pleasure speaking to you briefly! Thank you for your comments.

We have prepared the Qualifications Packs (QP) for job roles in the Cold Chain Logistics sector for the Logistics Skill Council (LSC) based on industry inputs provided by persons such as you. Your support and inputs are appreciated - thank you.

The next step in declaring these QPs as 'National Standards' by NSDC, is for you to validate them. Without your acceptance (called Industry Validation) of each of the QPs prepared, they cannot be declared 'National Standards' by NSDC. Each QP needs to have, at least, 30 industry validations from 10 small, 10 large and 10 medium-sized companies. This is the minimum number required for the QP to qualify as National Standard. As such, each validation counts.

Hence, in addition to your feedback, we request you to send your acceptance for the QPs in the following link:

[Google drive link for QPs](#)

The QPs in the link are for the following job roles:

1. Commissioning/Modernization Specialist
2. Perishable Product Handling Specialist
3. Reefer Vehicle Operator
4. Refrigeration Equipment Maintenance Specialist
5. Cold Chain Engineering Specialist

## 6. Cold Chain Manager

We request you to send your acceptance at the earliest so that LSC can present these QPs to NSDC as per the allotted schedule. The link mentioned above, also has the indicative format for sending your validation. You may even send a reply to this mail saying that, **'I accept the QPs as they are' OR 'I accept the QPs with the following comments'**.

Thank you once again for your cooperation and support.

Thanks and regards,

Paridhi Bhandari
