

Post Graduate Diploma in Embedded System Design Placement - Batch wise details

This course helps the students to get placement in three ways.

1. Campus placement
2. Job referral programs where we direct our previous batch students to various companies
3. Students apply directly. The theory, practical as well as the projects done during the course enables the students to pass the screening test and helps in the interview.
4. Previous batch non-placed students are also allowed to attend campus programs along with the current batch subject to conditions.
5. Students are encouraged to take up entrepreneurship/ self employment.
